The Officer's Daily Log

Meet Senior Doctor Dylan Belton

Dr. Dylan Belton was born in Bermuda, but his family moved to England when he was a child.

He earned a Biomedical Sciences degree in 1995 and went on to study Medicine at Southampton University. With specialist training in both Anaesthetics and Intensive Care Medicine, Dr. Belton also spent 2 years with Careflight, a Sydney-based emergency response helicopter retrieval service.

Dr. Belton adventurously joined the Princess Cruises team in 2007, where he discovered his favorite cruise destinations: Papete, Santorini and St. Bart's.

By Senior Doctor Dylan Belton

I hope you're feeling at home on Royal Princess®, as we're like a large family here on board. As your doctor, I'm here to take care of any medical issues that might arise during our cruise. Please do not hesitate to visit us during the clinic hours or phone 911 at any time for urgent matters.

On board our ship, it's good to remember that with many people living in close quarters, it's worth taking extra precautions to avoid spreading any germs. That's why we suggest you regularly wash your hands with soap for at least 20 seconds, and rinse them under running water. Remember to do this especially after using the restroom, after coughing or sneezing and before eating, drinking or smoking. It's also best to use your stateroom toilet instead of the public toilet facilities whenever possible.

While seasickness is surprisingly uncommon on board, if you're feeling at all sensitive to the ocean's waves, we recommend initially taking some of the over-the-counter treatments available in the boutiques. If you do not find relief from these treatments, we have a full range of prescription medications available in the Medical Center to help you fully enjoy your cruise vacation.

Enjoy your day in Belfast, your gateway to some of the country's most distinctive attractions. If you choose to venture further into Northern Ireland, head onward to Giant's Causeway, an unusual natural attraction and World Heritage Site that was likely created by lava flows cooling into columns of different heights. Many people also head to Londonderry, the only fortified city in the British Isles, or to Downpatrick, where St. Patrick's Centre offers an in-depth lesson on Ireland's Patron Saint.

No matter what you choose to do in Belfast, I wish you a happy and healthy day ashore.

From the Navigator

On arrival in Belfast we will pass Mew Island and Lighthouse Island on portside and alter to port aiming for the pilot station, where we will embark our local pilot. After that we will proceed in the buoyed channel towards our assigned berth, Stormont Wharf. On departure with all on board we will let go the lines, thrust off the pier and retrace our track inside the buoyed channel then we will disembark the pilot and set initially NWly course towards Greenock (Glasgow).

Water and Energy Conservation

A growing number of our environmentally conscious passengers are choosing to conserve water and energy by refraining from unnecessarily leaving water running in their stateroom as well as refraining from leaving balcony and ship's side doors open. Join them and help Princess Cruises protect our environment. Thank you for your assistance.

Shuttle Service and Taxis

There will be a limited shuttle service provided by local authorities on a complimentary basis. The bus will take you into downtown Belfast with drop-off at Donegall Place (opposite Belfast Welcome Center). Please note there will be waiting times and lines at peak hours. First bus will depart at 8:15am. Taxis (relatively inexpensive) are also available.

5:30pm All Aboard!

Royal Princess sails for Greenock (Glasgow) shortly thereafter.

Canada Day

Known up until 1982 as "Dominion Day," Canada Day is a Canadian national holiday celebrating the unification of Nova Scotia, New Brunswick and the British Province of Canada into the Canadian kingdom on July 1, 1867. Similar to Fourth of July celebrations in the U.S., Canada Day is often marked with parades, barbecues and fireworks displays.

Today we proudly display the Maple Leaf and join our Canadian passengers in the revelry of this joyous holiday!

Once onboard and subject to availability, you may switch from Traditional Dining to Anytime Dining with 24 hours notice to the Maître D'. Dining options, menu selections, locations and services may vary by ship, and actual meal times are subject to change. The legal drinking age of 18 years is observed onboard and photo ID may be required. A 10% service charge is automatically added to all bar and wine bills.

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government issued picture ID with you before leaving the ship, as you may be required to show this at security checkpoints upon your return. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.

Toilet System/Vacuum System

Royal Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to passengers, please place any foreign objects in the waste bins and sanitary bags provided.

Shore Excursions: Tour office hours: 5:00pm-7:00pm · Deck 5 Midship

Tour Staff are available in the Princess Theater, Deck 7 forward this morning and ashore on the pier this afternoon during tour dispatch, to check on any last minute availability for today.

Going on Tour - Please present your tour ticket at your meeting time & location. Please do not arrive ahead of the indicated time in order to avoid additional congestion and longer waiting periods. Those wishing to travel together should meet together, to be allocated space in the same transportation.

Afternoon tours, meeting directly ashore on the pier, often use transportation from earlier departures and therefore will only be in position for loading at the specified time.

The staging area is not sheltered, nor is seating available, and these factors in addition to the weather conditions should be carefully considered before arriving far earlier than scheduled.

Your daily guide to life at sea
