The Officer's Daily Log

Meet Executive Chef Jozef Lisner

Executive Chef Jozef Lisner hails from the Netherlands. Originally he studied Aviation Engineering in college, but then he decided to change course and pursue his real passion – cooking! After graduating from culinary school, Jozef gained experience in fine restaurants and hotels across Europe and the Middle East.

An avid traveler, Jozef was drawn to the cruise industry and now he is happy to share his passionate philosophy of excellent cuisine with Princess passengers.

When on vacation, Jozef enjoys taking walks on the beach and reading.

By Executive Chef Jozef Lisner

From Greenock, many of you will see the best of Scotland's largest city, Glasgow. Visit the Duke of Argyll's home at Inveraray Castle along the banks of Loch Fyne, where you'll find extravagant décor and beautiful gardens surrounded by the lush green Scottish landscape. A trip to the Scottish Wool Centre provides entertainment for the whole family as you watch lively agility and skill demonstrations by Scottish border collies and their trainers.

It's been my experience while sailing the world that the personality of a region comes through clearly in its cuisine. The distinctive flavors of Scotland are no exception. Perhaps the most popular Scottish meal is haggis, a savory sheep sausage mixture made with onion and spices. Sometimes haggis is battered and fried, although it is often served with neeps (yellow turnip) and tatties (mashed potatoes). Of course, you can always find shops serving fish and chips! You can get a taste of these staples and other traditional fare during your visit to Glasgow.

On the ship, my dedicated team of 296 crew members is always busy slicing and dicing, baking and cooking up a feast for the senses. It is my pleasure to ensure that each meal you enjoy on board is an experience to remember. Vacation is a time to relax and relish the good life, and we take pride in preparing fresh and flavorful cuisine with passion and care. *Buon Appetito!*

From the Navigator

Early in the morning, Royal Princess will pass between the Little Cumbrae Island (on our starboard side) and Isle of Bute (on our portside). At that stage, we will pick up the local pilot and set a Northerly course into the channel, leaving the Great Island of Cumbrae on our starboard side. We will then set various headings towards our assigned berth (Ocean Terminal) where we will make the ship fast and then start our port operations. In the evening we will let go the mooring lines, thrust of the pier and retrace our arrival track. Once outside the channel we will disembark the pilot and set headings towards our next port of call Invergordon (Inverness).

Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

5:30pm All Aboard!

Royal Princess sails for Invergordon (Inverness) shortly thereafter.

Did You Know?

Did you know that the idea for Princess Cruises came about because there wasn't enough hotel space in Seattle during the 1962 World's Fair? Local businessman Stanley McDonald thought of a unique way to solve the problem, and in the process, he started a cruise line... and made history.

Security Screening

All passengers returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Passengers with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search".

Drink of the Day

Dirty Banana

Cruzan Dark, Tia Maria, Kahlua, Cream, Chocolate & Banana.

Shore Excursions: Tour office hours: 5:00pm-7:00pm – Deck 5 Midship

Tour Staff are available in the Princess Theater, Deck 7 forward this morning and ashore outside the terminal this afternoon during tour dispatch, to check on any last minute availability for today.

Going on Tour - Please present your tour ticket at your meeting time & location. Please do not arrive ahead of the indicated time in order to avoid additional congestion and longer waiting periods. Those wishing to travel together should meet together, to be allocated space in the same transportation.

Afternoon tours, meeting directly ashore outside the terminal, often use transportation from earlier departures and therefore will only be in position for loading at the specified time.

The staging area is not sheltered, nor is seating available, and these factors in addition to the weather conditions should be carefully considered before arriving far earlier than scheduled.

Cancellations or exchanges for Invergordon (Inverness) close at 6:00pm this evening.
